Innovated for comfort

Indulge in a living space that is uniquely yours, where every element has been thoughtfully designed and integrated to create a harmonious and practical home.

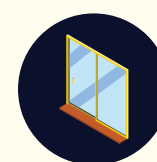

Practical Home

Experience practicality and comfort at an all-new level with our open-plan layout options. Discover a home that seamlessly merges functionality with style for a flexible and enjoyable living experience.

Signature Urban Yard

Every unit comes with an urban yard that maximises usability and practicality by avoiding space wastage through inconvenient corners.

Naturally Well-Ventilated

Enjoy a more comfortable experience with wide windows and a balcony (for selected unit types only) that bring in natural sunlight and ventilation right into your home.

Carefree flexibility

Enjoy everything an open-plan layout has to offer, where maximum flexibility meets easy spaciousness to fulfil every individual and family's requirement. The open layout aids in customisation of the space, as well as fostering closer family bonds with moments spent together under one roof.

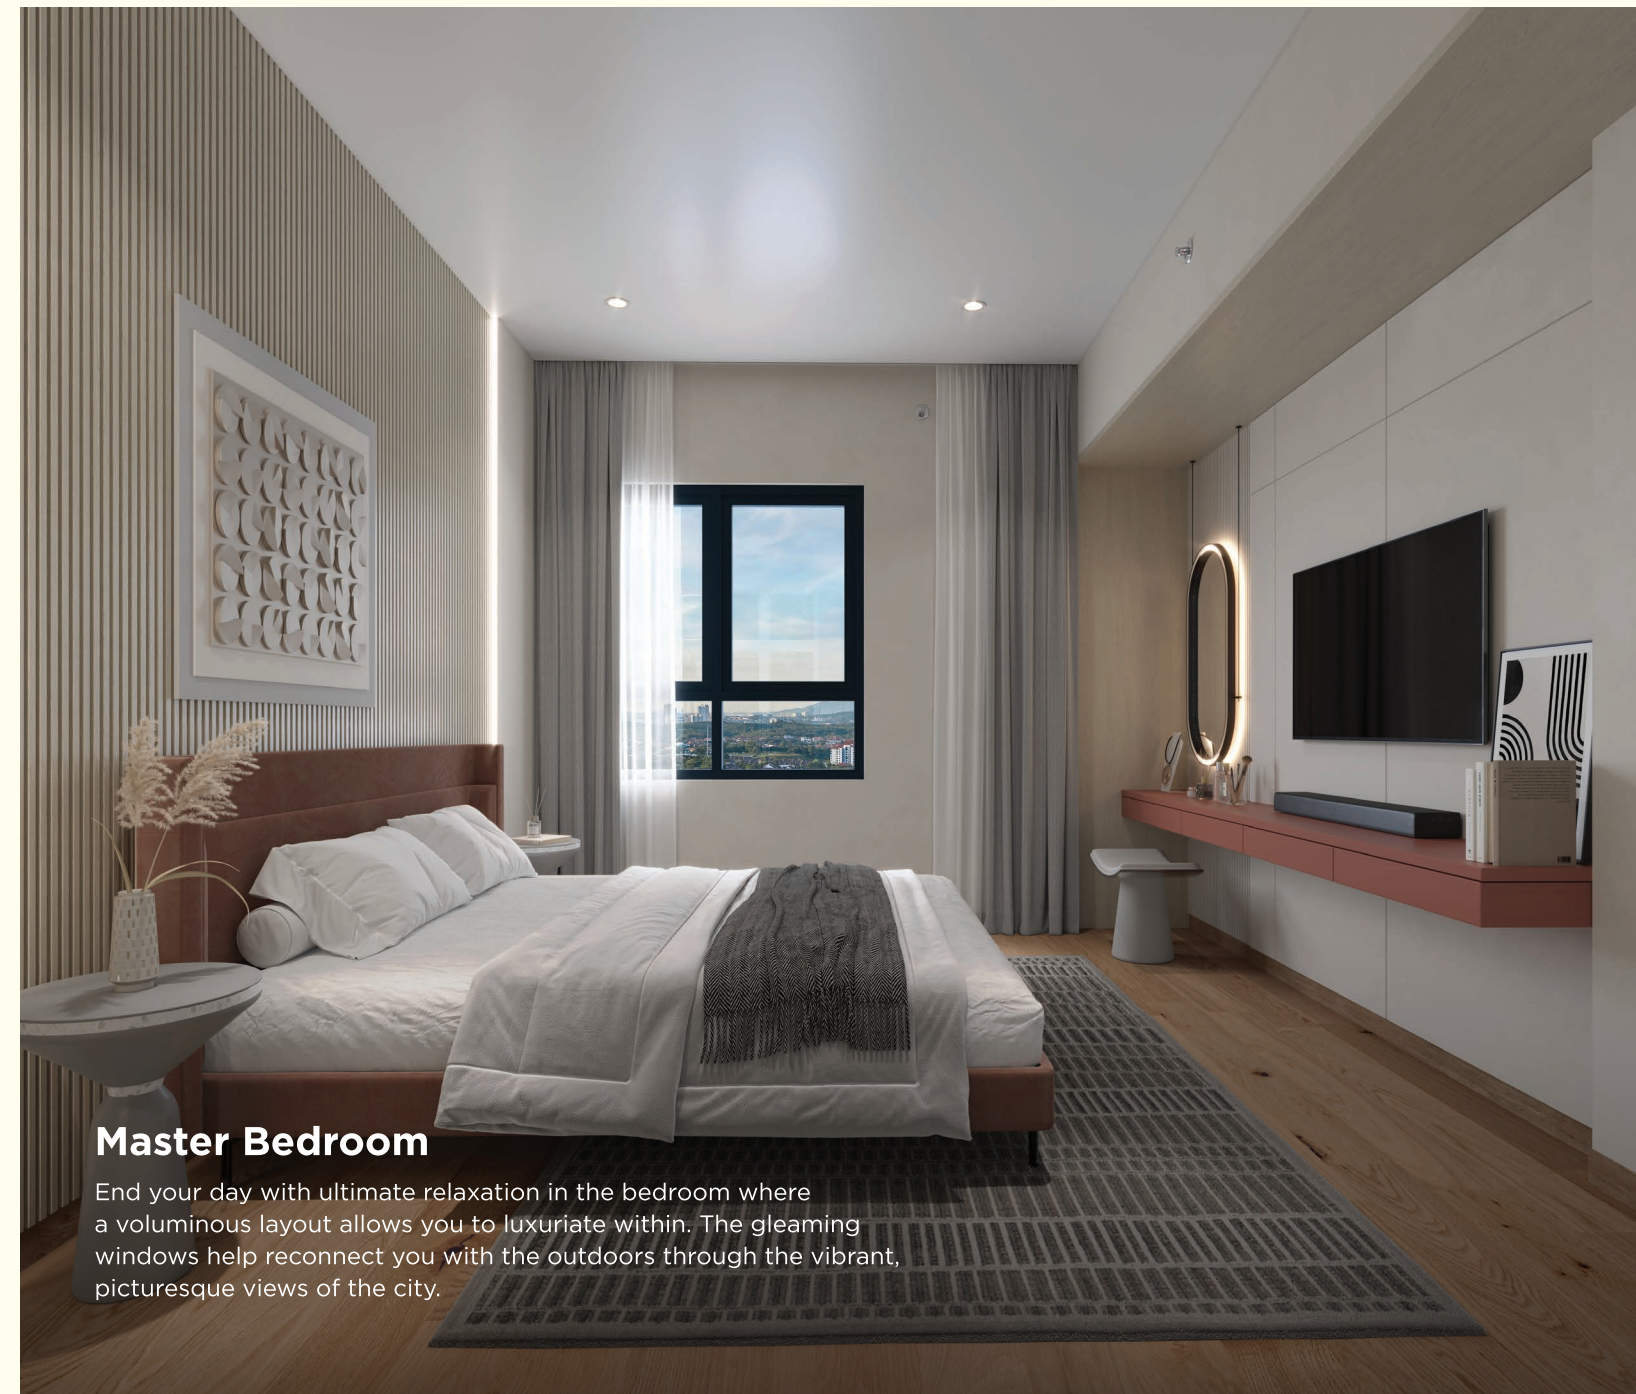

Adaptable To Your Style

The home layouts in The Connaught One are designed to be flexible, practical and stylish, allowing you to switch them up any way that you want.

Well-designed for family living

Homes here are crafted for closer moments through time spent together. A spacious living area where family members can gather and relax creates a cosy communal space - it's also the perfect space for intimate gatherings with friends and loved ones.

Master Bedroom

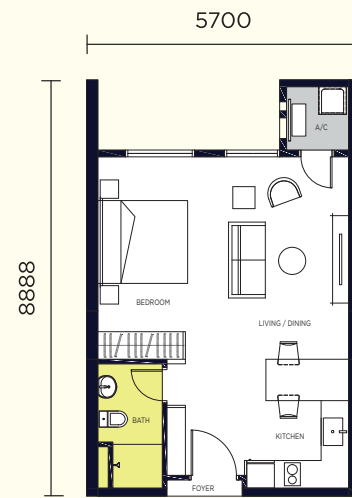

End your day with ultimate relaxation in the bedroom where a voluminous layout allows you to luxuriate within. The gleaming windows help reconnect you with the outdoors through the vibrant, picturesque views of the city.
